It Didn't End on Friday

He Is *Risen!*

Friday Looked Final

It's all over!!!!

Friday Looked Final

**Sometimes God will allow
a moment that feels
completely opposite to
what He promised.**

**Saturday Is the
Hardest Day
Nothing is
happening.**

**Saturday Is the
Hardest Day
Nothing is
happening.**

Will you still trust God when you can't trace Him?

Sunday Changes Everything — But Not How You Expect

**Sometimes the breakthrough
has already started...
and you're still thinking you're
in the middle of the problem.**

The
Resurrection
Is Not Just an
Event — It's a
Pattern

God
brings
us
back.

- That thing you thought was over... might not be
- That part of your life that feels buried... isn't beyond God
- That situation you've given up on... God hasn't

What the Resurrection Means for You — Today

- **Strength you didn't have before**
- **Peace in the middle of pressure**
- **Hope returning when you thought it was gone**

What the Resurrection Means for You — Today

Friday Looked Final

**Stop Living Like
It's Still Friday**

Friday Looked Final

From:
“This is over”

To:
“God can still move here.”

**Your Next Step Isn't to Understand —
It's to Move**

**If the tomb is
empty...
then
anything is
still
possible.**
